### Note :

## The Company

Hiral Labs Limited is Pharmaceutical and Nutraceutical company engaged in manufacturing of finished dosages since year 2000. Hiral Labs Limited has two separate manufacturing sites consisting of four manufacturing buildings, one R & D building, two testing labs and one administrative building near Roorkee, India. We manufacture Oncology Injections, General Tablets, Capsules& Injections, Eye, Ear & Nasal Drops, Oral Dry Powders, External Preparation (Ointments, Lotions & Creams), and Nutraceuticals. Our oncology injection manufacturing facility is accredited with PICs & WHO: GMP certification.

Our strength is our comprehensive manufacturing facility and capability to manufacture more than 300 stable formulations in several packing styles. In domestic market, other than 160 of our own brands, we contract manufacture products for 350 India companies. Internationally, we are exporting our products to more than 45 countries across 5 continents. Our products are exported to countries like Azerbaijan, Canada, Cuba, Georgia, Guatemala, Honduras, Jordan, Kenya, Kosovo, Morocco, Myanmar, Nicaragua, Philippines, Romania, Sri Lanka, UAE, Uzbekistan, Yemen etc. We have our overseas associated companies, **RAALI HEALTH INC.**, Canada and **MAPS PHARMA Pvt. Ltd.** in Sri Lanka for global marketing & distribution.

## Quality & Management

Our success is strongly rooted in our belief of Quality Drugs at Affordable Price. Well qualified and experienced production staff is capable of delivering the most advanced formulations with highest standards of quality. Our QC & QA departments have qualified and experienced staff to take care of quality at every stage of manufacturing. We have well equipped two separate labs. Chemico-physical and Microbiological labs with most sophisticated equipment are capable of in-house testing of environmental parameters, water, stability of products, raw and finished products. Water & HVAC system is as per international standards.
