## THE COMPANY

**HIRAL LABS LIMITED** is a WHO: GMP and ISO 22000:2018 certified company specializing in Nutraceutical, Herbal Supplement, and Pharmaceutical formulations, with its own state-of-the-art manufacturing plant in Roorkee, India. Marketing and distribution of Nutraceutical and Herbal Supplement is managed by our sister company, **RAALI HEALTH INC.**, based in Canada.

Our Nutraceutical and Herbal Supplements have a strong market presence in Canada, Ethiopia, Kenya, Myanmar, Qatar, Romania, Sudan, and the UAE. We manufacture a wide range of dosage forms, including Tablets, Hard Gelatin Capsules, Powders, and Liquids, available under our own brands as well as for private labels. Our unique capability lies in formulating stable combinations of Herbs, Vitamins, and Minerals. We also offer Free Sale Certificates (FSC), comprehensive Dossiers, Technical Documentation, and regulatory support for registration.

## QUALITY & INGREDIENTS

Our manufacturing plant is located in Uttarakhand, at the foothills of the Himalayas, a treasure land of quality medicinal herbs. We select the purest Herbs and pharmacopeia-grade Vitamins & Minerals through rigorous quality analysis. Our well-qualified and experienced pharmacists are dedicated to delivering the highest quality formulations in its purest form. The Quality Control (QC) and Quality Assurance (QA) teams ensure standards are met at every stage of manufacturing, adhering to both country-specific and customer-defined requirements.

Our facility is built to international standards, featuring a sophisticated Chemico-physical and Microbiological laboratory equipped for in-house testing of Raw Materials, Finished Products, Water Quality, Environmental Parameters, and Product Stability. The water and HVAC systems also conform to global standards.
